HOLIDAYS WITH PEACE OF MIND

VILLE DE NICE

Welcome to Nice!

Basking in glorious sunshine, Nice is a particularly welcoming city where life feels good. Nestled between sea and mountains, it offers a broad range of cultural and leisure events to enjoy throughout the year, as well as a number of museums and festivals - especially its Jazz Festival. Nice is also a safe city where the local and national police have made tourist and visitor safety one of their primary objectives and priorities. Here are a few tips to ensure you enjoy holidays with peace of mind.

TIPS

In the street and on public transport:

- Make sure your bag is properly closed.
- Do not keep your wallet in your back pocket.
- Keep an eye on your belongings when travelling, especially during rush hour and in busy crowds.
- Do not leave your belongings in your bike's basket.

On the beach:

- Only take enough money for the day with you to the beach. Leave your valuables and passport or driver's license at the hotel. Take photocopies of your passport with you.
- Keep your wallet, jewellery, mobile phone, etc. under wraps.
- Do not leave your belongings unattended when you go for a swim.

In the car:

- Always lock the doors and trunk and activate the anti-theft steering wheel lock.
- Roll up car windows when parked.
- Do not leave your keys in the ignition - even if you're just popping into a petrol station.
- Do not leave bags and items out for all to see in your car.
- Remove all detachable devices and GPS systems.
